

More to Offer with Lions Lifeskills Resources

Life Changes – loss, change and bereavement for children aged 3-11 years old

£34.95

Everyone will experience change and loss throughout their lives, such as family breakdown or the death of a relative or friend. School communities will have to support children who have faced loss in one of its myriad forms. This resource adopts a proactive and a reactive approach to loss and change and will enable staff to make an immediate considered response to a loss and change situation, including bereavement.

Keys to Resources

£29.95 each

The aim of the 'Keys to Resources' is to provide key sessions on important health issues. It may be used with all abilities and is suitable for young people with a visual impairment. All pupil/student sheets are in large font, with a FREE CD Rom included that will enable them to increase/decrease the font as required. The 'Keys to Alcohol' and the 'Keys to Smoking' are for children aged 7-11 years old. The 'Keys to Drugs' and the 'Keys to Sexual Health and Relationships' are for 11-14 years old.

Life Matters – a board game for young people aged 13-19 years old

£54.95

Life Matters is an engaging and interesting way for young people to learn about alcohol, sexual health, drug and tobacco issues. Up to 12 people can play the game at any one time and has proven to be extremely effective in a variety of settings.

Icebreakers, Warm ups, Energisers, Group Dividers and Closing Activities

£12.99

This popular resource includes 50 activities that have been 'tried and tested' on adult training courses, in the classroom setting and in youth work with children and young people.

Smoke Rings – a card game about smoking for 9+ years old

£12.99

Smoke Rings is an interesting and interactive way for children (aged 9+), young people and adults to learn about smoking issues. Smoke Rings contains 48 question and answer cards and a series of trigger questions for further discussion.

Little Steps – an early years resource promoting personal, social and emotional development for 3-5 years old

£12.99

This resource provides a range of ideas to enable practitioners to meet the needs of the 3-5 year olds in both statutory and non-statutory early years settings. This resource:

- supports the Safeguarding agenda
- promotes self-awareness and self-confidence
- encourages empowerment for all those supporting community cohesion
- provides opportunities for children to use and apply their learning to enquiry and problem solving
- has a resource bank of ideas and activities which encourages critical thinking.

Skills for the Primary School Child Part 4: Substance and Solution for 7-11 years old

£12.99

This resource tackles the specific issue of Volatile Substance Abuse (VSA) within 6 lessons. There are photocopiable classroom materials, additional pupil activity sheets, a workshop for teachers, a workshop for parents, governors and whole school staff including background information on VSA.

Skills for the Primary School Child Part 5: The World of Alcohol for 7-11 years old

£49.95

This resource is intended to increase children's knowledge about alcohol and its effects, address and clarify their attitudes towards its use and to help to enhance and develop the skills required to deal with alcohol related situations.

This resource contains 7 key lessons, photocopiable classroom materials, 11 workshops for teachers, whole school staff, parents and governors and background papers.

Skills for the Primary School Child Part 6: The World of Tobacco for 5-11 years old

£49.95

This comprehensive resource contains 23 lessons including extension activities that encourage the involvement of family and carers, photocopiable classroom materials, a series of workshop activities for use with the whole school community, background papers and information sheets to enable teachers to address this sensitive issue with confidence.

On the Booze Again – alcohol materials for young people aged 11-16 years old at risk

£36.95

A programme of alcohol education for use in a wide variety of settings. There are 18 interactive participatory activities using a variety of learning and teaching ideas including discussion, cartoon 'trigger' illustrations, role play, drama and collages. The resource has been successfully trialled in secondary schools, pupil referral units, youth offending teams and informal youth settings.

Peer Alcohol Education Toolkit for use with Secondary School Students aged 11-18 years old

£36.95

The toolkit contains materials that will enable a school to develop a peer alcohol education project based upon the outcomes of previously successfully run pilot projects. The resource contains: a CD Rom with statistics on young people and drinking; what makes effective alcohol education? and Peer Alcohol Education – what makes it work? There is further background information on peer alcohol education, including case studies and practical tools for developing a project.

Sex, Drugs and Alcohol for use with Young People of all abilities for ages of 14+

£48.95

An interactive resource for young people aged 14-19 particularly those with low levels of literacy. This resource contains: 15 core activities and extension activities, 25 cartoon style illustrations showing situations common to young people together with background papers and supporting information.

Sex, Drugs and Alcohol – HIV Transmission Activity for those 16+

£12.99

An engaging way of working with young adults through 17 cartoon style illustrations showing sexual activities. **WARNING** – These illustrations are to be used sensitively due to their explicit nature.

Citizenship for 11-16 year olds

£12.99

Citizenship education covers many topics, focusing on a wide range of issues from local, national and international perspectives. This resource contains 31 Lessons and 14 Case Studies.

£25.00

This resource contains: 10 lessons for 11-14 year olds and 8 lessons for 14-16 year olds; 28 photocopiable handouts; 3 background papers; appendices and photocopiable parents/carers sheets on help for young problem gamblers and a Free CD Rom containing information about gambling.

Just another Game? – gambling education materials for 13-19 year olds in informal settings

£25.00

The materials have been developed for young people by young people. This resource contains: sessions for young people; photocopiable handouts, photographs of young people in gambling related activities; information cards; background papers and a Free CD Rom containing information about gambling.

Smoking is the largest preventable cause of death in the United Kingdom. Evidence shows that the prevalence of smoking among young people increases between the ages of 11 and 16. Every day approximately 450 young people are 'recruited' to smoke, which is why this resource is essential for those working with young people. Up in Smoke contains 10 easy to follow tried and tested interactive sessions using a variety of teaching and learning styles. The emphasis of the resource is on the benefits of being smoke free. Sessions include: 'What do you already know about smoking?'; 'The effects'; 'Passive smoking'; 'Does it cost the earth?'; 'Advertising'; 'Women and smoking'; and 'Helping someone to stop'.
